MARKETING OPTIONS:

When grain is delivered to the elevator, we need to know what you want to do with it. This is important. If the ticket is incorrect, please advise us as soon as possible. Shown below are some of your choices:

- 1) **APPLY TO AN EXISTING CONTRACT**-If you have entered into a contract prior to delivery we will automatically apply your grain to the oldest contracts first, unless you tell us not to.
- 2) **SPOT CONTRACT**- Spot prices will be determined according to the settlement price the day of delivery. Grain delivered on Saturday and Sunday will be priced based on Friday's close.
- 3) **HOLD**-If no other options are chosen, we will place your loads on hold. Any grain on hold at the end of 7 days will be placed in storage, if available, or sold at the current price. If we fill up with grain, we will not be able to offer hold but will need to have spot or contract sales only.
- 4) **STORAGE**-When grain is delivered inform us that it is "Storage". The rates above will apply.
- 5) **DELAYED PRICE OR PRICE LATER**- Subject to market rates available at time of sale.
